## SUMMER BREAK 2022-23

### Dear Parents,

Summer Break is the time for students to relax at home, work on their weaknesses and develop new habits e.g. going for a morning walk, reading newspaper or a book, helping parents, spending more time with grandparents and going for an outing etc.

Parents are advised to give due importance to their children and take them along with when you move out for marketing to give them a practical exposure of real world and answer their queries.

Parents are advised to read some stories to younger children and spend some quality time with them.

Respective class teachers will send holiday homework for children through whatsApp, UDT (in electronic form to avoid the wastage of paper). Its copy will also be available at school reception. In case of any confusion or query, parents may consult CTs on PTM day ie on Saturday 04<sup>th</sup> June 2022.

After 5<sup>th</sup> June up to 30 June kindly speak at school reception for any query. Reception will resolve the issue if any. Kindly do visit School office during vacations between below mentioned hrs only, to avoid inconvenience for any kind of administrative work.

Those parents, whose ward's school fee is pending are to make sure that their dues are clear before school reopens after summer vacation. In case you require any document from school, kindly apply in advance so that the same may be prepared for you in time. Whole staff may not be available with school during vacation and it may get delayed.

Kindly ensure when your ward returns to school after vacation he/she is done with homework and bring it back to school as per days prescribed for submission.

Kindly purchase proper school uniform of your ward if it is shortened or has worn out. Student must come to school as per days' uniform or house uniform as per case. Utilize these days to get all such things settled as per school rules.

**In case your document submission is still pending in the school or a school executive asks for any document to submit in the school, kindly do the needful at the earliest possible. They are required to update school documents.**
