Submission of School Fee Quarter-I

Dear Parents,

Hope you must be keeping well and would be safe at home.

1. We have entered in session 2021-22 & students are learning in online classes. Please ensure your ward attends classes everyday and participates in discussion in class. Pandemic time is a peculiar time wherein parents also have their own role to play & are to lend their helping hand to school to ensure learning. So, you are requested to respond to the calls made by the class teachers responsibly. Please ensure, your ward completes homework and prepares for online tests and takes them honestly too.

2. No economic activity can be run without finance, & fee collected from students is the only source of finance for the school. School also has its various liabilities every month that includes salary to teachers, other non-teaching staff members and various regular expenses related to licenses, royalty and taxes (all are unavoidable and cannot be delayed).

3. I appreciate the responsible behaviour of the parents who have cleared their pending dues of last session and bearing with the school, at the same time I would request to the parents whose ward/s' fee is pending for the last session even; to pay the school fee latest by 21 May 21 without any delay. More than half a quarter has passed of the new session also, so parents are requested to pay fee for quarter –I, So that school can also meet its regular expenses and is able to continue the best possible services to the students without hindrance.

4. Provisional classes for grade XI has already commenced and syllabus is going full swing.
